PROFILE SUMMARY

Passionate Front-End Web Developer with a background in Chemistry and a strong love for design and coding. Skilled in **HTML, CSS, JavaScript, and React.js,** with **hands-on experience** building responsive and user-friendly web applications. Known for turning creative ideas into clean, functional interfaces using **modern tools like Tailwind CSS and React.** A fast learner who transitioned from science to tech, bringing strong problem-solving skills and attention to detail from a **scientific mindset**.

TECHNICAL SKILLS

- **Frontend: HTML5, CSS3, Tailwind CSS, JavaScript (ES6+), React.js, React Router**
- **Other Tools: Git, GitHub, Responsive Design, REST APIs**

PROJECTS

Filmora – Movie App   [🔗 LINK]   **Apirl 2025 - Present**

Tech Skills: HTML, Tailwind CSS, JavaScript, React.js, React Router

- Built a dynamic movie browsing application using React and Tailwind CSS.
- Implemented routing using React Router for navigation between Home, Watchlist, and Movie Detail pages.
- Used JavaScript functions to manage state, handle search filters, and update the watchlist dynamically.
- Designed a clean, responsive UI for browsing movie cards, viewing details, and managing favorites.

Apple Clone   [🔗 LINK]   **Apirl 2025 - Present**

Tech Skills: HTML, Tailwind CSS, JavaScript, React.js

- Built a responsive clone of the Apple website, mimicking the original design and layout.
- Developed interactive components using React, including carousels and modals.
- Focused on creating a minimalistic design similar to the Apple brand's website.
- Implemented a mobile-first approach for optimal performance on mobile devices.

GreenDen – Plant Shopping Website   [🔗 LINK]   **May 2025 - Present**

Tech Skills: HTML, Tailwind CSS, JavaScript, React.js

- Designed and developed a fully responsive e-commerce website for plant shopping.
- Used React and Tailwind CSS for UI development.
- Integrated product pages, image galleries, and responsive layouts for an intuitive UX.
- Focused on performance optimization for seamless device compatibility.

EDUCATION
